

Predicting the future of marketing
Tracking marketing excellence Improving the value of marketing

## CMO Survey Report:

Results by Firm
\& Industry Characteristics

## Table of Contents

## Topic 1: Marketplace Dynamics

## Overall Economy and Company

1 Are you more or less optimistic about the U.S. economy compared to last quarter?
$\underline{3}$ Rate your optimism about the U.S. economy on a scale from $0-100$ with 0 being the least optimistic.
$\underline{5}$ Are you more or less optimistic about your own company compared to last quarter?
7 Rate your optimism about your company on a scale from $0-100$ with 0 being the least optimistic.

## Customers

$\underline{9}$ Rank your customers' top three priorities $(1,2,3)$ over the next 12 months: Low price
11 Rank your customers' top three priorities $(1,2,3)$ over the next 12 months: Superior product quality
$\underline{13}$ Rank your customers' top three priorities $(1,2,3)$ over the next 12 months: Superior innovation
15 Rank your customers' top three priorities $(1,2,3)$ over the next 12 months: Excellent service
17 Rank your customers' top three priorities $(1,2,3)$ over the next 12 months: Trusting relationship
19 Rank your customers' top three priorities $(1,2,3)$ over the next 12 months: Brand
21 Do you expect the following customer outcome in the next 12 months: Customer's purchase volume
23 Do you expect the following customer outcome in the next 12 months: Customer's price per unit
25 Do you expect the following customer outcome in the next 12 months: Customer will buy related products/services from my firm
$\frac{27}{}$ Do you expect the following customer outcome in the next 12 months: My firm's ability to retain current customers
29 Do you expect the following customer outcome in the next 12 months: The entry of new customers into this market
31 Do you expect the following customer outcome in the next 12 months: My firm's ability to acquire new customers

## Competitors

33 Do you expect the following competitor outcome in the next 12 months: Emergence of new domestic competitors
35 Do you expect the following competitor outcome in the next 12 months: Emergence of new global competitors
37 Do you expect the following competitor outcome in the next 12 months: More intense rivalry for customers
39 Do you expect the following competitor outcome in the next 12 months: More competitor innovation
41 Do you expect the following competitor outcome in the next 12 months: More competitor price-cutting
43 Do you expect the following competitor outcome in the next 12 months: More cooperation on non-price strategies

## Topic 2: Firm Growth Strategies

| $\underline{45}$ | Allocate 100 points to reflect your firm's spending in each of the four growth strategies during the prior 12 months. <br> Allocate 100 points to reflect your firm's spending in each of the four growth strategies during the next 12 months. |
| :--- | :--- |
| $\underline{\underline{49}}$ | What percentage of your firm's sales is domestic? Through the internet? |
| $\underline{\underline{53}}$ | Which international market is your firm's largest in terms of sales? |

## Topic 3: Marketing Spending

$\underline{61} \quad$ Relative to the prior 12 months, your company's change in spending during the next 12 months in each area.
$\underline{63} \quad$ What percent of your marketing budget do you spend on mobile activities?
$\underline{65} \quad$ Marketing expenses account for what percent of your firm's overall budget?
$\underline{69}$ Marketing expenses account for what percent of your firm's revenues?

## Topic 4: Financial and Marketing Performance

| $\underline{71}$ | Rate your firm's performance during the last 12 months? <br> What is your firm's goal for the next 12 months? |
| :--- | :--- |
| $\underline{\underline{75}}$ | Rate the performance of your company's mobile marketing activities: Customer acquisition <br> $\underline{\overline{77}}$ |
| Rate the performance of your company's mobile marketing activities: Customer engagement <br> Rate the performance of your company's mobile marketing activities: Customer retention |  |
| $\underline{\underline{81}}$ | Rate the performance of your company's mobile marketing activities: Delivering your brand message <br> $\underline{83}$ <br> $\underline{85}$ <br> $\underline{87}$ <br> Rate the performance of your company's mobile marketing activities: Sales <br> Rate the performance of your company's mobile marketing activities: Profits <br> Overall, how would you rate your company's marketing excellence? |

## Topic 5: Social Media

89 What percent of your marketing budget do you spend on social media?
91 How effectively is social media linked to your firm's marketing strategy?
$\underline{93}$ How effectively does your company integrate customer information across purchasing, communication and social media channels?
$\underline{95}$ What percent of your company's social media activities are performed by outside agencies?
97 Which best describes how you show the impact of social media on your business?
99 Social media metrics: Check all of the metrics your company is using to show the impact of social media.
103 Social media capabilities: How well has your company developed strong knowledge and skills: For developing social media strategies
105 Social media capabilities: How well has your company developed strong knowledge and skills: For executing social media strategies
107 Social media capabilities: How well has your company developed strong knowledge and skills: For connecting marketing \& social media strategies
109 Social media capabilities: How well has your company developed strong knowledge and skills: For measuring the success of social media strategies
111 Social media capabilities: How well has your company developed strong knowledge and skills: For learning what does \& doesn't work for social media
113 Social media capabilities: How well has your company developed strong knowledge and skills: For managing external social media partners \& agencies
115 Social media capabilities: How well has your company developed strong knowledge and skills: For hiring people to perform social media activities
117 Social media capabilities: How well has your company developed strong knowledge and skills: For training people to perform social media activities
119 Social learning: Which approaches does your company us to learn about customers in social media or digital?

## Topic 6: Marketing Jobs

1 By what percentage will your firm's marketing hires change in the next year?
123 By what percentage will your firm's outsourcing of marketing activities change in the next year?
125 How many employees/marketing employees are in your company?

## Topic 7: Marketing Organization

$\frac{127}{129}$ Select the description that best captures the role of sales within your firm.
129 Use of product and customer organizational structure in your firm.

## Topic 8: Marketing Leadership

131 What is marketing primarily responsible for in your firm?
135 How many direct reports and indirect reports do you have?
137 How many years have you been with this firm in your current role? In any role?

## Topic 9: Marketing Analytics

139 What percent of your marketing budget do you spend on marketing analytics?
141 In what percent of projects does your company use available or requested marketing analytics before a decision is made?
143 To what degree has the use of marketing analytics contributed to your company's performance?
145 How is your company using marketing analytics to drive decision making?
149 Which best describes how your company shows the short-term impact of marketing spend on your business?
151 Which best describes how your company shows the long-term impact of marketing spend on your business?
